

# Keith and Jane Clay

La La Choirs

**Choir:** Plymouth

**Section:** Bass / Alto

Keith and Jane met when they were 16 and 21 and have been married for 35 years. They are both from Plymouth although Jane lived in Wales for 12 years but Keith assures us it did not damage her too much!! Keith is a Chartered Accountant and Jane has recently left her job after working at a nursery for 23 years and is currently doing the Home Start course. Keith's passion is golf and they both like walking their 14 year old labrador, Harvey. They enjoy holidays and their favourite is a little Greek island called Tilos.

**What made you decide to join La La and what made you stay?**

Jane has always had a desire to join a community choir - when she saw the advert in January 2013 Keith was persuaded to go along for company but enjoyed it so much he is still there.

“*La La has given her the confidence to perform in public which she thoroughly enjoys doing*”

**What do you feel makes La La different from other choirs?**

Jane and Keith both agree Sam is unique and is what makes La La so much fun. Jane has made lots of friends and enjoys the regular choir nights and concerts. Keith does not feel pressurised to take part in the concerts and finds the regular choir nights very de-stressing and too has made some good friends.

**What has La La done for you and how has that improved your life?**

You don't have to be a good singer to join La La and Jane is definitely proof of this - La La has given her the confidence to perform in public which she thoroughly enjoys doing. Keith has gained a way of relaxing after a hard day at the office. On the concert days which are not held in Plymouth the girls usually make a day of it, and have even been known to do an impromptu flashmob in an Exmouth shop, just three of them!!!

**What would you say to anyone thinking of joining La La?**

La La raises large sums of money for local charities. Being part of La La enables you to have great fun, build your confidence, make new friends but at the same time you help to make a difference to those who might not be as fortunate as yourself.

Keith and Jane say "give it a go, you won't regret it!"
