

That Man

by Caro Emerald

Doot, doot, doot, doot,...

*(I'm in a little bit of trouble
And I'm in real deep
From the beginning to the end
He was no more than a friend to me
The thought is making me hazy
I think I better sit down
Like a sweetest serenade
Bet he knows he's got it made with me)*

Twisting 'round on a carousel
This speeds' too much to stop
One second I'm thinkin'
I'm feeling the lust
And then I feel alive,

Ooh that man is like a flame
And ooh that man plays me like a game
My only sin is I can't win
Ooh I wanna love that man
Ooh that man is on my list
And ooh that man I wanna kiss
My only sin is I can't win
Ooh I wanna love that man

Doot, doot, doot, doot,....

*(Now it's like I'm on a mission
Headed everywhere
And if it takes a little long
And it feels a little wrong, who cares?
My baby fits the description
And does it easily
A little Gable, some Astaire
When he dances I can hardly breathe)*

Someone call a doctor
Need some help to rescue me
Ooh..ooh...
*(One second I'm thinkin' I must be lost
And he keeps on findin' me)*
Findin' me and

Ooh that man is like a flame
And ooh that man plays me like a game
My only sin is I can't win
Ooh I wanna love that, love that man
Ooh that man is on my list
And ooh that man I wanna kiss
My only sin is I can't win
Ooh I wanna love that man.

And ooh that man plays me like a game
My only sin is I can't win
